HUD'S PRIMARY OBJECTIVES FOR YHDP

1B: REDUCE HOMELESSNESS (UNDER STRATEGIC GOAL 1: SUPPORT UNDERSERVED COMMUNITIES)

- Prevent and End Youth Homelessness
- Build national momentum
- Promote equity in the delivery and outcomes of homeless assistance
- Highlight the importance of youth leadership
- Evaluate the coordinated community approach
- Expand capacity
- Evaluate performance measures
- Establish a framework for Federal program and Technical Assistance (TA) provider collaboration

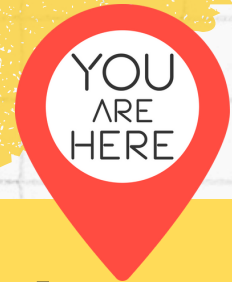

FY23 ROUND 8 YHDP NOFO

RELEASED: JUNE 6, 2024 / DUE: AUGUST 29, 2024

- HUD will award approx. \$70 million in up to 25 communities
 - The NOFO offers priority to communities with a substantial rural population in up to 8 communities
- Maximum award: **\$15 million**
- Minimum award: **\$600,000**
- Funding can be used for any projects eligible under CoC regulations (i.e., PSH, RRH, TH, Joint TH-RRH, SSO, HMIS), including planning and “special YHDP activities”
 - Project funds, except planning and hard costs, are renewable under future CoC competitions

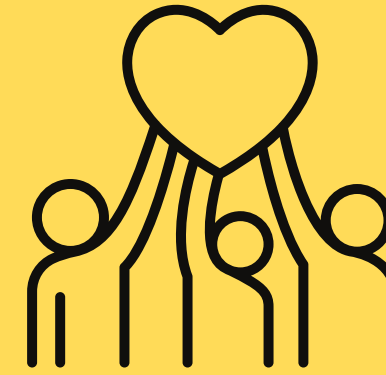

OVERVIEW OF YHDP PROCESS

HOW IT WORKS:

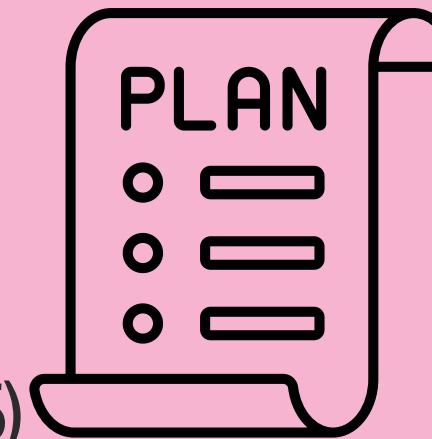

- Austin, Travis Co. CoC was selected as a distinguished YHDP Community eligible to seek renewed YHDP Community Designation (Phase 1).
- **Should our community's application be approved post Phase 1, HUD will...**
 1. Dedicate 3% of the total award to YHDP Planning activities (with a potential increase to 10% post-planning application approval) (e.g., compensation for the YAB, YHDP coordination efforts).
 2. Ask our CoC to revise our current CCP within 6 months of the award announcement during Phase 2 (by August 1st, 2025).
 3. Direct our CoC to coordinate a local competition to vet project applications during Phase 3 (by July 1st, 2025).

Phase 1: YHDP Community Designation (Fall 2024)

- Working with other community partners, CoC's Collaborative Applicants responds to the Notice of Funding Opportunity (NOFO) released on June 6th, 2024
- Community Selection application (i.e., 25-page narrative + required attachments) due to HUD by Aug. 29th, 2024
- HUD will announce selected communities & their total award amounts w/in several months

Phase 2: Coordinated Community Plan (CCP) (Spring- Summer 2025)

- Communities must establish a planning team, including youth with lived experience, CoC & ESG recipients, child welfare agencies, and other stakeholders in youth homelessness
- Communities analyze need and current youth HRS

Phase 3: Project Application (Summer 2025)

- Organizations in community apply for projects that are identified in the CCP, including projects focused on housing, services, and system supports
- HUD reviews project applications and will fund individual projects

COMMUNITY SELECTION APPLICATION OVERVIEW

- In no more than a total of 25-pages, communities must provide a narrative response to multiple questions within the following rating factors to demonstrate:
 1. **YAB Integration:** that the CoC actively engages potential YAB members, ensures that YAB members represent a diverse range of background and that the YAB is fully integrated and prioritized in the CoC. This rating factor concentrates on the support opportunities available to the YAB.
 2. **Community Need:** high need in the community based on the number and needs of the community's youth experiencing homelessness.
 3. **Collaboration:** strong current community- wide partnerships that are working to prevent and end youth homelessness
 4. **Youth Collaboration:** how voices of youth with lived experience of homelessness are a crucial component to addressing and ending youth homelessness. This rating factor focuses on the structure of the YAB and the vision the YAB has for utilizing YHDP funds.
 5. **Data Evaluation and Capacity:** the community is effectively using data and project performance to assess and improve its youth homelessness response system.

Rating Factor	Points
1. YAB Integration	20
2. Community Need	25
3. Collaboration	20
4. Youth Collaboration	20
5. Data and Evaluation Capacity	15
Total	100
Rural Bonus	10
